York Catholic Musical Advertisement Information

Performance Dates: February 26, February 27, February 28, 2027

The $15,000 cost of producing the musical is not part of the annual York Catholic budget. While many schools in the county spend more than $50,000 producing a spring musical, we at York Catholic believe we need to be good stewards of the money entrusted to us. The funds to pay for the musical come from the advertisements in the program, concessions, and ticket sales. Each student involved in the musical is asked to sell at least $100 in advertisements for the program. Thank you for your support!
