The Spirit of the Lord GOD is upon me,
because the LORD has anointed me;
He has sent me to bring good news to the oppressed,
to bind up the brokenhearted,
to proclaim liberty to the captives,
and release to the prisoners;
to proclaim the year of the LORD's favor,
and the day of vengeance of our God;
to comfort all who mourn;
to provide for those who mourn in Zion –
to give them a garland instead of ashes,
the oil of gladness instead of mourning,
the mantle of praise instead of faint spirit.

(Isaiah 61:1-3, NRSV)

Service is a basic requirement at York Catholic because it is part of our identity, part of who we are. To form habits of practicing the Gospel call to love in the area of community service, the school monitors a program of Christian Service whereby each student is required to perform hours of non-remunerated community service each year within a volunteer program or individually. Although the number of required hours is minimal over the course of the year, it is an important way of teaching students the merits of volunteer work as the means of living out their baptism and following the Gospel.

REQUIREMENTS

1. Hours Required:
 - ✚ Junior High Students (grades 7- 8) must complete a MINIMUM of 12 hours of service.
 - ✚ Senior High Students (grades 9-12) must complete a MINIMUM of 16 hours of service.
 - ✚ Service hours are to be completed at TWO OR MORE SERVICE SITES.

2. To be completed BY FRIDAY, DECEMBER 4, 2020:

3. To be completed BY TUESDAY, APRIL 13, 2021 (GRADE 12) OR MONDAY, APRIL 26, 2021 (GRADES 7-11):
 - ✚ Junior High Students:
 - Verification of remaining hours of service to equal a minimum of 12 hours.
 - See page 7 of this booklet for your Service Hours Written Project
 - ✚ Senior High Students:
 - Verification of remaining hours of service to equal a minimum of 16 hours.
 - Assignment per Religion teacher.
 - ✚ All Students:
 - One signed verification paper per service site (available on YC website & in Religion classes)

Service Project Grading Rubric: This assignment will count toward a MAJOR TEST GRADE in Religion for the marking periods. NOTE: As agreed to in the Student-Parent Service Covenant, both hours AND written project must be submitted whether or not credit is still possible for the project. Without the project the service is considered incomplete. Failure to complete these requirements by the date specified will affect the service grade given for the marking period. (Please note the correct spelling of the word “altar.”)

DIRECTIVES

1. Service hours are to be completed at TWO OR MORE SERVICE SITES
 - † Example: A student who volunteers 10 hours with Habitat for Humanity must do the remaining required hours of service at another site.
 - † Example: A student who volunteers 16 hours as an altar server at St. Patrick Church must also complete at least one additional hour of service at another site.
 - † Assisting teachers or staff at York Catholic during the school year may count toward no more than 8 hours of required service for Junior High and 10 hours for Senior High students. The remaining hours must be completed at other sites.
 - † The Exception to this directive is that a student may do two different types of service at the same site. Example: A student may volunteer at Saint Joseph Church carnival and may also volunteer as an altar server at Saint Joseph Church. Each semester's service reflection and written project **MUST** be about a different type of service activity even if done at the same site.
2. Students participating as members of a pre-approved school program MAY submit these hours to fulfill the service requirement.
3. Students may NOT volunteer for relatives to fulfill service requirements with the exception of extraordinary medical circumstances, and only with the approval of the Campus Minister.
4. Students may NOT be away from regularly scheduled classes to fulfill the service requirement, unless it's a school-sponsored activity.
5. Students may NOT submit hours from school service resulting in recognition such as receiving a Varsity Letter.
6. Students may NOT use partisan political activity or campaign work for a service project.
7. Students may NOT do a service project at commercial (for-profit) businesses. The religion teacher may grant an exception in an extreme case. Permission **MUST** be obtained before the service is done.
8. Normally students may NOT use fundraising for one's own organization for self-interest for a service project. For example, assisting at a music-sponsored pancake breakfast at which monies raised are used to offset your personal instrument expenses is not permitted. Volunteering to assist at a music-sponsored pancake breakfast where proceeds are used to benefit the music organization is permitted.

GUIDELINES

- † Students are encouraged to have their service activity approved by their Religion teacher or Campus Minister prior to volunteering to ensure the activity qualifies for a service learning experience.
- † Students are encouraged to volunteer for a non-profit organization that provides a community service such as a hospital, nursing home or shelter, walking for charity or blood drive, or a special event such as a charity fundraiser. This will allow the students to join in the community to assist and to acquire new experiences throughout the area, showing Christ to the community. Students are strongly urged to perform acts of kindness in their neighborhoods such as raking leaves, shoveling snow, and babysitting; however, these hours will only be accepted due to extenuating circumstances if pre-approved by the Campus Minister, Religion Department Chairperson, or Religion teacher.
- † Special events that require volunteers will be posted in the hallways of YC.
- † Responses containing profanity (swearing, inappropriate language or comments, etc.) will not be accepted and will be turned over to Administration for discipline.
- † **To falsify a service report or to forge an adult signature is a major discipline infraction, an honor code violation, and will be subject to disciplinary action. This will also result in a grade of 0% for the assignment. Parents must not sign Verification Forms unless special arrangements have been made in advance with the Campus Minister.**

VOLUNTEER OPPORTUNITIES
Updated August 2020

The following is a sampling of non-profit organizations that accept youth volunteers. Some organizations may have age requirements for volunteers. Contact the organizations directly for specific requirements. Availability of service opportunities may be seasonal or on an as-needed basis. Do not call during a last minute service hour crisis. Contact the Campus Minister directly at mkrueger@yorkcatholic.org.

Because of service organization age requirements and transportation issues, junior high school students may have unique challenges in finding service opportunities; therefore, it is best for junior high school students to begin searching for volunteer opportunities at their parishes and youth groups.

REFLECTION ESSAYS

The purpose of these essays is to give the student the opportunity to think about and reflect upon what was learned from the service experience and to integrate it better into their spiritual life. *Teachers have the option of creating their own essays for students to complete. Please check with your religion teacher to see what option he or she has selected for the year.*

These essays are to be typed and include an MLA heading, using **five or more sentences for each**.

1. In five or more sentences, describe your experience at the service site. Tell what, when, where, and how you assisted.
2. In five or more sentences, tell what practical skills, previous personal experience, and/ or **spiritual knowledge (i.e., Virtues, Gifts of the Spirit, Works of Mercy, etc.)** of yours helped you to perform this service.
3. In five or more sentences, describe the ways in which you think the community (school, neighborhood, town, parish, and in some rare cases, family) benefited from your service.
4. In five or more sentences, describe how this service has influenced your spiritual life. How has this experience helped you to grow spiritually (affected your relationship with God)? How has this experience helped you to see those in need as Christ sees them?

SCRIPTURE REFLECTION

- † This reflective essay is to be typed and include an MLA heading.
- † Choose a scripture passage from the ones provided below or from elsewhere in the Bible that illustrates or demonstrates your service action.
- † In your own words, write a short summary of the chosen scripture passage (2 to 3 sentences).
- † Write a **100-150 WORD** reflection on how that scripture passage *specifically* relates to your service experience.
- † Tell how your service was an act of showing Christ to another/others and how you were able to find Christ in another/others.

Faith Studied and Put into Practice

A long-standing feature of York Catholic has been the requirement that students perform a minimum number of hours of service PER SEMESTER (6 for junior high and 8 for senior high). The purpose of this program is to underline the truth that Christianity is not just something learned from a book or in a classroom, but it is faith put into practice and lived in the service of others by following the example of Jesus Christ.

(DUE: Monday, September 14, 2020)

Jesus Christ is the model of this school and of its students. By his life, Christ showed us it is better to serve than to be served and the greatest among us is the one who serves the rest. With Christ Jesus as my guide, therefore, I, _____, being the son/daughter of Mr./Mrs. _____, will to the best of my ability fulfill the service hour requirements as a student of York Catholic High School, completing no less than half of my service hours by the established due date of **Friday, December 4, 2020** at which point I will turn in the required verification papers and all written projects. I will complete the remaining service hours by the established due date of **Tuesday, April 13, 2021** (Grade 12) / **Monday, April 26, 2021** (Grades 7-11), at which point I will turn in the remaining required verification papers and all remaining written projects. Failure to turn in required forms on time will result in Administrative discipline.
