Best Wishes for a Blessed and Merry Christmas and a Healthy and Peaceful New Year from the York Catholic Family
Dear Alumni and Friends of York Catholic High School,

Our students continue to make us proud as they represent the spiritual and academic tradition that has been a part of York Catholic for nearly 85 years. As noted below, their SAT scores continue to surpass national, state, and local averages and their level of scholarship rewards demonstrate the return one can achieve when choosing to invest in a York Catholic education. In fact, last year’s graduating class received 5.5 million dollars in scholarships collectively. To put this in perspective, one of York County’s high achieving local public schools graduated twice the number of students who collectively achieved approximately 1.5 million dollars in scholarships. Again, the return is worth the investment. Of course, I know all of you as friends and family members of the YC Irish share in the pride we all have for our school and alma mater. It is that pride which reflects in the greater York community and allows our reputation for academic excellence to be felt as our students become contributing citizens in the area.

In August, Bishop McFadden met with the high school Board of Directors in the Diocese and expressed his vision for how the mission of Catholic Education should continue in our area. He suggested as schools, we need to embrace the talent pool which exists among our constituents and use that talent to guarantee the future stability of Catholic Education in our Diocese. I believe this is something York Catholic has been doing for some time, however, we are in the process of restructuring our Board Committees to reflect the Bishop’s goals, including the addition of two new committees in the areas of Alumni Outreach, and Retention and Public Relations. Other committees continuing to function with some revamping are the Institutional Advancement Committee (formerly the Development Committee), the Finance Committee, and the Building and Grounds Committee. If you would like to lend your talents in these areas, please let me know.

While I continue to meet and interact with many of you this year, I feel assured we are accomplishing the Bishop’s goals for Catholic Education together as a YC family. Many of you have assisted in furthering the school’s mission in one way or another. This may be through your gracious financial support or through sharing your many talents and abilities. We invite you to continue sharing in these ways as we seek to maintain excellence and grow for the future security of our school.

Next year, we will celebrate our 85th anniversary and the planning has begun for this momentous occasion. As we prepare for this year-long celebration we are seeking your input and assistance. We hope to support the graduates of the years ending in 3 and 8 with their reunion planning. Please contact Jennifer Stees Glassmyer, our Director of Development and Alumni, for any assistance or direction you may need as you plan these celebrations. We are also looking for volunteers to help coordinate the many events we hope to host in celebrating our 85th year. Again, if you have talents you are interested in sharing with us as we plan for this event, please contact Jennifer. We value your input as we move forward with these plans.

Sincerely,

Adrienne K. Seufert ’96

Help Yourself by Making a Donation to YC By December 31

Need tax deductions before the end of the year? Where would you want to make a difference at York Catholic High School?

Tuition Assistance
This money helps ALL students by keeping the cost of tuition down and assisting students who might not be able to afford tuition by their own means. In these trying economic times we continue to have a great need for tuition assistance.

Teacher Salaries
We have many talented and dedicated teachers on our staff who strive to provide the best well-rounded Catholic education for our students. We continue to try to provide our teachers with salaries so they in turn can adequately provide for their families. We can always use help in continuing to build this fund started by the generosity of Mr. and Mrs. Bernard Beazley in recognition of Mr. James “Coach” Forjan.

Annual Fund
The money donated to our annual appeal goes to cover our general operating costs. Our goal this year is to raise $240,000.00.

Music Department
This money will help our music department continue to travel to away football games, participate in competitions and parades, and will help with the general upkeep of uniforms and instruments.

Athletic Association
This money will help fund sports programs for YC students and help provide transportation and officials’ wages.

To make a gift to any of these specific funds, write your designation on the memo line of your check or enclose a note in your donation envelope and mail to York Catholic at the address on the back of Greensleeves.

Holding Appreciated Securities?

In response to the questions from our loyal alumni and friends, here are the details about making a gift using depreciated securities.

If you have stocks that have experienced significant declines and are now worth less than what you paid for them, consider using those stocks to make a gift to York Catholic High School.

For maximum tax savings, sell the stock, take any allowable loss, and then donate the cash proceeds to us. This way, you'll obtain a charitable deduction for the cash gift, and you can offset the losses against any gains this year. If your overall losses exceed your gains, you can deduct up to $3,000 of the excess loss from ordinary income — and carry over excess losses to future years.

To learn more, contact Jennifer Stees Glassmyer at jsteesglassmyer@yorkcatholic.org or 717-846-8871 x51.

ADVANCED PLACEMENT SCHOLARS
Four students from the Class of 2012 were named AP Scholars by the College Board based on results of various Advanced Placement tests. This recognition is granted to students who received scores of 3 or higher on three or more AP Exams throughout high school. We applaud Liam Brennan, Alex Giannaris, Nicholas Martin and Mackenzie Nelson for being named AP Scholars. York Catholic achieved an 82% pass rate on students earning a 3 or higher on AP exams. We congratulate all of our AP students and AP teachers from the 2011-2012 school year.

NATIONAL MERIT SCHOLARS
York Catholic High School is proud to announce seven students have been recognized by officials of the National Merit Scholarship Corporation (NMSC) in the 58th annual National Merit Scholarship Program. Alexis China and Sarah Fuller were named Semifinalists which allows them the opportunity to continue the competition for some 8,300 scholarships worth more than $32 million that will be offered next spring. More than 1.5 million juniors in 22,000 high schools entered the 2013 National Merit Scholarship Program by taking the 2011 Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT®), which served as an initial screen of program entrants. To become a Finalist, a Semifinalist must have an outstanding academic record throughout high school, be endorsed and recommended by the high school principal, and earn SAT scores that confirm the student's earlier performance on the qualifying test. Five students were named Commended Students: Kaela Ayers, Caroline Burnham, Nicholas Pawlikowski, Anna Spoden, and Erika Zarfoss.

DISTINGUISHED YOUNG WOMEN
Senior Sarah Fuller won the title at the Pennsylvania Distinguished Young Women state program. Sarah will be busy throughout the year with speaking engagements, performances, and appearances with the theme of “Be Your Best Self.” She recently addressed the Senate! Sarah will represent Pennsylvania at the national competition in Mobile, Alabama in June.

Making a Difference
Sarah Fuller (far left back row) presented “Be Your Best Self” to students at St. Joseph Dallastown

Dedication Bricks

A statue of Mary, a rock garden, and a pond form a peaceful site for prayer and reflection. Surrounding the area is a walkway of engraved bricks dedicated to the honor and memory of family, friends, and classmates. You can purchase an engraved brick for $50. Complete the form found at www.yorkcatholic.org. Go to the Forms and Documents page and scroll to the bottom section titled Alumni/Communications/Development. The Mystical Rose Society is comprised of committed individuals who, like the Patroness of York Catholic – Mary, the Mystical Rose – dedicate themselves to answering the Lord’s call to building the Kingdom of God through the education of children. Realizing that today’s young people are a precious source of goodness, members of the Society support the philosophy and values of Catholic education at York Catholic. In the spirit of our Mystical Rose, our philosophy of education leads young people to experience the love of God and neighbor in a caring community, to understand their faith, and to develop and use their intellects and talents in the service of God and others. The Society was established as an organization that requires an annual membership commitment of one thousand dollars or more to any York Catholic fund.

Purpose
For nearly 85 years, York Catholic has provided the best opportunity for a well-rounded, Christ-centered education. Members of the Mystical Rose Society help York Catholic continue its tradition of academic excellence and help accomplish its mission as a Catholic school. Providing quality programs in a Catholic environment is a continual goal of our faculty and staff. The support of the Mystical Rose Society helps to reach that goal with the following special objectives:

- To fund the Tuition Assistance endowment, the Forjan Focus Fund (teacher salary endowment), and other school endowments
- To support special projects initiated by the school’s administration for ongoing support to the academic program including equipment needs
- To support the ongoing operational costs of the school in the areas where funds are most needed

Benefits
In addition to the personal satisfaction that comes from helping to preserve the York Catholic tradition, Mystical Rose Society members also enjoy the following benefits:

- Members are remembered at the general intercessions during Mass in the months of October and May
- Members are invited to a reception following the annual May Crowning
- Members are acknowledged in the Annual Report published in Greensleeves

For more information on joining York Catholic’s Mystical Rose Society, please contact Jennifer Stees Glassmyer at jsteesglassmyer@yorkcatholic.org 717-846-8871 x51

We know you understand the value of a Catholic education. We hope you will consider becoming a member of the Mystical Rose Society and help provide York Catholic and its students and faculty with continued support.
