

Dear Student and Parent,

As a PSAT/NMSQT® taker, you get free access to My College QuickStart™, a college and career planning kit that includes:

My Online PSAT/NMSQT Score Report

View your projected SAT® score.
See how you compare to other juniors in the nation and in your state (exclusively online).
Review test questions, your answers, the correct answers with explanations.

My SAT Study Plan™

Prepare for the SAT with a guided review of the PSAT/NMSQT questions you missed -- the SAT has the same types of questions.
Take a free official SAT practice test, and try your hand at an SAT essay.

My Personality

Take an in-depth personality test to learn more about yourself.
Find the majors and careers that fit your personality strengths and interests.

My College Matches

Check out a starter list of colleges that are near you and offer the major you chose when you took the PSAT/NMSQT.
Search for colleges by a variety of factors: size, location, projected SAT scores and more.
Access detailed college profiles to learn more about the colleges you're interested in.

My Major & Career Matches

Learn about different majors and careers, and see which courses you should take now to be successful in college.

To log in, you'll need the access code on your paper PSAT/NMSQT score report.

Go to My College QuickStart now.
