

York Catholic HS Yearbook Staff
York Catholic HS

Dear Parents:

To make yearbook ordering easier, York Catholic HS is participating in the Smart Pay sales management program offered through Taylor Publishing. Smart Pay handles the order taking and processing and follows all payments allowing the yearbook adviser and staff additional time to produce the best yearbook ever! Here is how it works:

- A letter in a white window envelope will be **mailed to your home** this fall. It will have our school name in the return address window! **Please be looking for it!** Payment may be made by check, money order, or credit/debit card
- Why wait? **Order NOW!** Simply go to www.smart-pay.com or call the Smart Pay ordering line at 1-800-853-1337. Please note: if you go online to order before receiving the letter just click on GO under LOCATE YOUR SCHOOL and follow the instructions.
- **Please do not send any money to school with your student this year!**

Once again, the York Catholic HS yearbook staff is dedicated to producing a fabulous yearbook that preserves the memories of your child's school days. Don't forget to watch for your order form in the mail this fall! We thank you for your support!
