

## Liturgy / Paraliturgy Log

As a coach/moderator of a team or club, you may have an opportunity to take your group to Mass or to have a prayer service in the chapel, locker room or other location. The Validating the Vision (VTV) committee needs your help in verifying the number of students participating so we can see evidence of advancing our goal. Quick prayers before games need not be included, but rather prayer services that set aside a certain amount of time for the team/club to meet and pray.

~ Use one form to keep track of your prayer services/Masses for the entire season or you can fill out a form each time you have a liturgy or paraliturgy.

~ After completing the information drop it off in the Main Office or with the Athletic Director.
