To all York Catholic Parents,

5 Star Driver Training School, LLC, which provides Safety/Drivers Education to our students has gone to an online program, Virtual Drive USA, which has been approved by the PA Dept. of Education. From there open the link and pay for the course; the rest is self-explanatory. The course has videos, tests, quizzes, and other important information. When completed, you will receive a certificate to show the instructor that the online course has been completed. The 6 hours of behind-the-wheel training will continue during school hours, over the summer, and on evenings/weekends. Cost for the behind-the-wheel training is \$250.
