To our current and prospective YC families:

Thank you for choosing York Catholic for your child's education. Please read here for information regarding tuition assistance for the 2018-2019 school year.

The Diocese of Harrisburg has partnered with a financial aid assessment organization to conduct the financial need analysis and tax credit program eligibility verification. We use FACTS Grant and Aid Assessment as well as FACTS Tuition Management for both the financial aid assessment and tuition management programs at York Catholic. To make the process more efficient, we use an online application, which is processed immediately. FACTS' online process securely stores information in a compliant environment, guides you step-by-step, and even has an introductory video to help you complete the application.

There are two types of tuition assistance available, with only one application required. The York Catholic Tuition Assistance Fund is funded by private donations, while the Neumann Scholarship Fund is supported by corporate donations who give to the Neumann Scholarship Foundation through the Educational Improvement Tax Credit (EITC) and the Opportunity Scholarship Tax Credit (OSTC) programs.

All families interested in tuition assistance, through the Neumann Scholarship Foundation or through York Catholic High School, must follow the Application process through FACTS. Assistance from The Neumann Scholarship Fund is determined by the Diocese of Harrisburg, while the York Catholic Tuition Assistance Fund distribution is determined by a Tuition Assistance Fund Committee within York Catholic.

Families who do not meet the qualifying income bracket for The Neumann Scholarship Fund (EITC/OSTC), may still qualify for financial assistance through the YC Tuition Assistance Fund. In order to apply for tuition assistance, a student must be registered at York Catholic. Families interested in applying for tuition assistance for the 2018-2019 academic year, must complete and submit forms **before** April 17, 2018 for consideration.

The application fee remains as it was with our previous provider at \$30 per family via an automatic debit from a savings or checking account, or with a credit card.

Once an online application has been completed, the following information will need to be sent to FACTS to complete the application process:

- Copies of your 2017 Federal tax forms including all supporting tax schedules
- Copies of your 2017 W-2 forms for all applicants
- Copies of supporting documentation for Social Security Income, Welfare, Child Support, Food Stamps, Workers' Compensation, and TANF

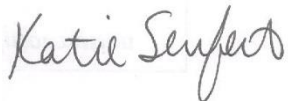

All supporting documentation can be uploaded in pdf format online. Documentation can be securely faxed to 866-315-9264, or copies can be mailed to the address below. **Please be sure to include the applicant ID on all faxed or mailed correspondence.**
