August 2018

Dear York Catholic Family,

I hope this letter finds you another year blessed, healthy, and happy. It has been a remarkable summer as we prepare for another rewarding school year. So many of you shape the rich history of our school's family and I have enjoyed sharing memories and moments with you. The support of alumni, parents, and friends affords YC the opportunity to continue its role as a leader in spirituality and academics for the greater York Community.

This year, we graduated 105 young men and women who will go on to use the foundation of their York Catholic education to shape the future of our communities. Through your generous support we were able to maintain one of the lowest secondary school tuition costs in the Diocese of Harrisburg, provide 33% of our student body with financial assistance, and increase student programs, incorporating new courses, including the return of Latin, into the curriculum. As our parents continue to invest a great deal in their children's education at York Catholic, it is not for naught. In fact, the Class of 2018 is a strong example of the return on this investment having achieved over 11,000,000 dollars in college scholarship offers. It is important that people like yourselves continue to provide these opportunities to the young men and women of our community. Without your support, they would not have the opportunities to further their careers and education upon graduation, becoming the leaders of tomorrow.

This upcoming year marks the celebration of our 90th anniversary as a school. As we enter this year, we know more than ever that "Values Matter." The values instilled through a York Catholic education are timeless as our students learn compassion and service toward others, all while becoming their best selves. In doing so, they continue to reference the values learned at YC as they impact the greater community.

It is our hope that you will continue to support our students in their journey, showing our family, our local York County community, and the Diocese of Harrisburg that a York Catholic education continues to be the best option in the York area.

I look forward to seeing you around campus this year. As always, thank you for all have done, do, and will continue to do to support our students.

Sincerely,

A handwritten signature in cursive script that reads "Katie Seufert".
