You’re invited to join the

**Marching Band**

*at York Catholic High School*

Any student who is registered for the 2020-2021 school year at York Catholic and is musician, dancer, or color guard member who wishes to participate may join. The seriousness of COVID-19 prevents us from holding auditions in person this year, so we’ve made adjustments to allow for auditions through recordings and still maintain our rehearsal schedule.

YC students who are instrumentalists need to play at least at an intermediate level. Students who are new to York Catholic need to send an audition recording. The audition recording must include the student playing two different scales of their choice and a selection from a private lesson piece or concert piece.

New YC students who wish to join the color guard must audition. Auditions will take place when we can all be back together.

Instrumentalists and Color Guard hopefuls, who are not yet at the performance level necessary to compete, are welcome to be a Runner. Runners help the band with props, attend football games, competitions, and play music or dance with us in the stands. The hope is that Runners will be ready and willing to march with the band in future seasons.

**Time involved during the season (August-November):**

- Summer Wednesday evening rehearsals
- 12-14 days of Band Camp in August 8:00 am-4:00 pm
- Practices 3 days a week during school
- Friday night football games; home and away
- 5 Saturday competitions throughout season
- Community and school events
York Catholic Marching Band Sign-up Form
