## Dear YC Community

I may have not attended York Catholic my whole life like most of my peers. I transferred here for my sophomore year, right before YC made a complete 180 in terms of interior design and technology. Before the renovations, I had already fallen in love with every aspect of YC, from its stellar academic programs to the overall feeling of togetherness that seems to radiate from the hallways. By my senior year, they had completely redone the high school wing and lobby. The library and chapel had transformed, and they had built state-of-the-art science labs that rivalled those of universities! The best part: air conditioning! I got my first glance at the renovations upon arriving for my senior photos. My family and I were immediately blown away by the lobby's college campus-like look, which included a new paint job, more space, and an abundance of cozy looking couches, foot rests, and tables. While writing an article for the school newspaper, I was able to take a full tour and soak up every inch of these carefully crafted renovations. It was an emotional change for everyone, as the old building (while outdated) held a unique YC charm. Thankfully, not only can we now enjoy an enhanced learning experience, but it still maintains the harmonious atmosphere and amicable charm that lured me in the first place. I didn't think it was possible to have a more unique social and learning experience at YC. Amazingly enough, it was thanks to our generous donors and alumni. Though I will graduate by the time phase two is complete, I greatly await to witness more of YC's history in the making.

**IMPACT  
TOMORROW**

**Phase  
II**

## Phase 2 Projects

### Brady Wing Conversion

- 26,000 Square Feet
- 19 Air-Conditioned Classrooms
- Large Group Instruction with Folding Partition
- 2 Offices
- Additional Lockers
- New Restrooms
- Roof (7,500 Square Feet)

### Interior Improvements

- Whiteboards
- Casework
- Doors and Hardware
- Paint
- Flooring and Ceilings
- Existing Terrazzo in Corridors
- 2 Stairwells and 3 Corridors

### Infrastructure Improvements

- HVAC
- Security
- Technology Upgrades in Every Classroom
- Fire Safety

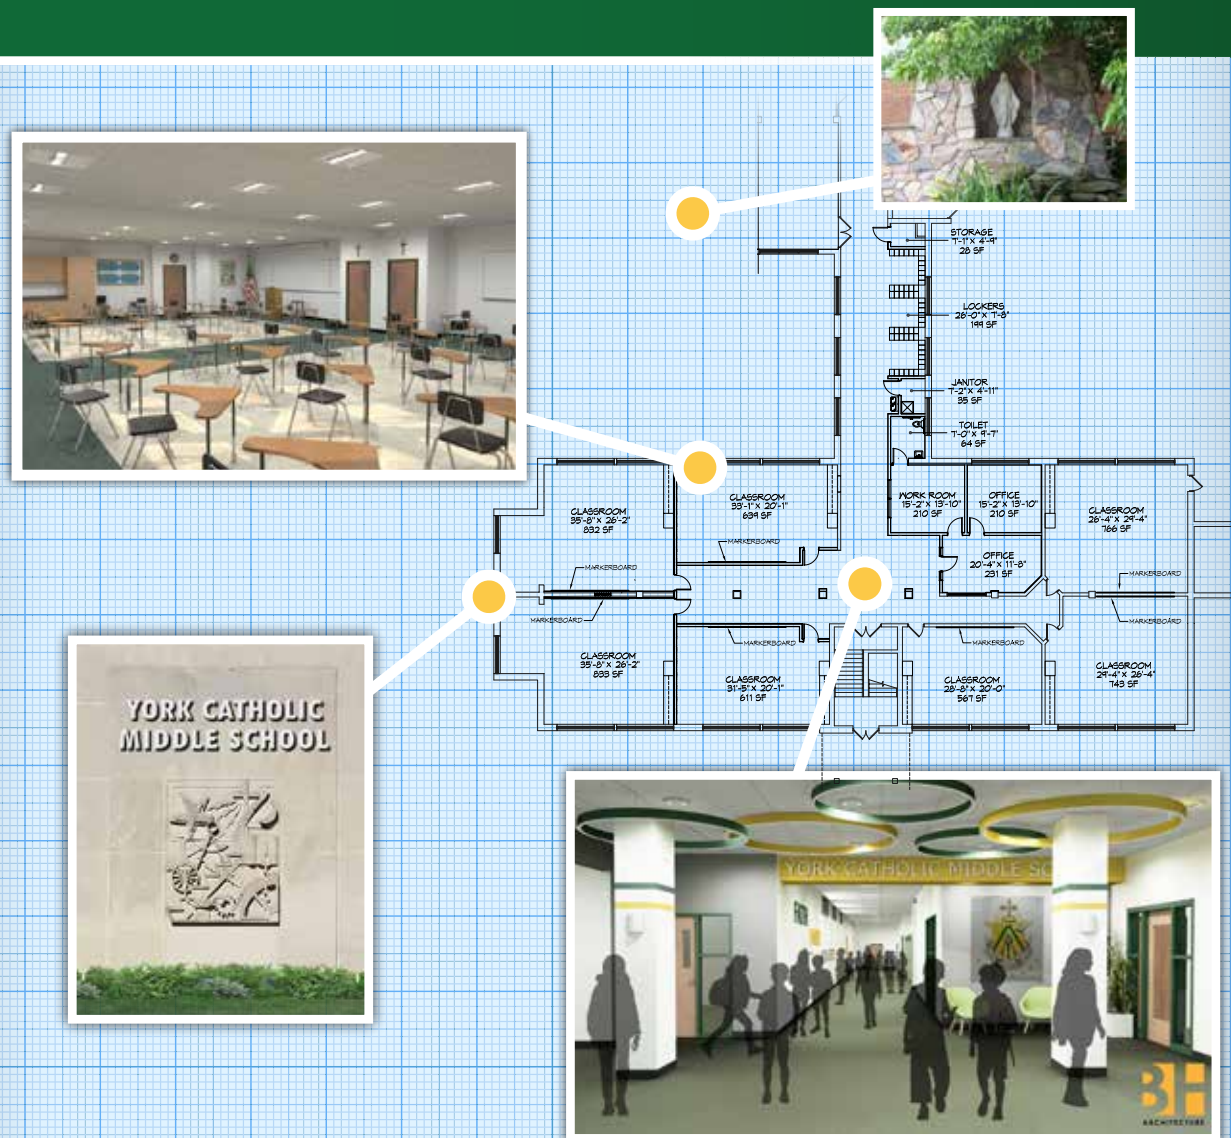

### Exterior Improvements

- Signage Upgrades
- Replace Concrete Walks & Curbs
- Rosary Walk
- Grotto Relocation
- Parking Lot Repaving

### Stadium Facilities

- Bleachers that will seat 1,000
- New Press Box

*Honoring Faith, Mind, Heart, and Family for 90+ Years!*

*We need your support!*

In order to raise the remainder of the funds for Phase II, we need the support of our alumni, parents, and community. There are many ways you can give to the campaign including a one-time gift or through a pledge over multiple years. There is also the opportunity for several naming opportunities, offered to recognize the generosity of donors. The gift levels associated with these opportunities reflect the honor of naming those facilities, and do not imply gift restrictions.

## Naming Opportunities

### Rosary Walk

Donors contributing \$5,000+ will be recognized on our Rosary Walk through a Prayer Bead stone. This beautiful new Rosary Walk will be stationed in the relocated Grotto.

### Athletic Stadium

Donations of all amounts from our alumni, parents, and community will be used to help us raise funds to officially name our stadium the "York Catholic Hall of Fame Stadium."

### Stadium Facilities

Brand new bleachers will be installed at our Athletic Turf Field. Contributions of \$1,000 will purchase one bleacher seat\* or a bleacher section can be donated for \$75,000.

\*Please note, the honor of naming the bleacher seat does not guarantee admission to events or reserve the actual seat.

If you have any questions please reach out to [development@yorkcatholic.org](mailto:development@yorkcatholic.org) or call 717.846.8871 x322.

**CAMPAIGN  
GOAL  
\$4.5 MILLION**

## MATCHING GIFT

**ALMOST HALF** of the funding for Phase II has already been pledged! Our alumni and friends can make Phase II a complete success by matching what has already been committed.

*"I not only received an education at York Catholic, I became part of a long-term family that I will forever and always be able to depend on if needed."*
