

York Catholic Middle School Religion Department
Student Purchased Textbooks

Students in Grades 7 & 8 purchase a limited number of textbooks for their Religion course. These mandatory textbooks guide our students' religious development. The texts will be used in class each day and then may be kept at the end of the year as a valuable reference for the future.

Religion teachers of these grade levels will collect textbook fees during the first week of school. Textbooks and fees are listed below. Payment may be made by cash or check made payable to York Catholic.

7th Grade: \$25.00

8th Grade: \$6.00

The Religion Department looks forward to guiding students in their faith development.
