

YORK CATHOLIC MIDDLE & HIGH SCHOOL

2020-2021
Annual Report

2020-2021 Annual Report of Giving

It takes a village to raise a child. Similarly, it takes our whole community to create our strong and vibrant school environment. York Catholic Middle & High School honors and thanks those who join us in this mission. Your gifts make a powerful impact!

York Catholic's 2020-2021 Annual Report honors alumni, parents, grandparents, faculty, staff and friends whose generosity enables our students to fulfill their potential in an environment built upon the cornerstones of faith, mind, heart, body & family. You are among over 1,178 individuals and families who made a gift to YC this fiscal year. This report catalogs the dedication and devotion of our community in turning shared goals and aspirations into reality through gifts received between July 1, 2020 and June 30, 2021. Every effort has been made to ensure the accuracy of the names listed in the donor rolls, but errors do sometimes occur. If your name has been omitted or misprinted, please accept our sincerest apology and contact the Development Office at development@yorkcatholic.org or 717-846-8871 x322 so we can correct the record. Gifts received after June 30, 2021, will appear in the 2021-2022 Annual Report.

OUR MOTTO

Maria Impende Juvamen – O Mary, bestow your aid

OUR MISSION

Guided by a Christian moral compass, we educate our students in an atmosphere of faith, family, and mutual respect, preparing them to serve the global community.

“At YC, respect is taught. We graduate students who have morals, Christian values, and who are going on to do great things in their fields. When my oldest son graduated, my husband and I looked at each other after the ceremony and agreed that we had 100% made the best decision by sending him to York Catholic and that it was worth every penny.”

Sue McKim
Parent of Alumni & Current Student,
Parent Ambassador

A Message from Our Principal

As I reflect back on the past year, I am beyond inspired by the dedication of our teachers and staff, the hard work and flexibility of our students, and the generosity of our alumni, friends, and community. While the past 365 days of this (fiscal) year have certainly been one that will be talked about for generations to come, we reached new heights in 2020-2021. We not only celebrated our 93rd graduating class, we also offered

differentiated learning environments, completed Phase I of our Capital Campaign, kicked off Phase II, revamped our website, and celebrated our students excelling in academics, athletics, and the arts.

Yet, York Catholic is so much more than our beautiful campus, built soundly and renovated safely for students' daily use. It is more than our science labs, sports fields, and performing arts areas. It is more than the dirt, bricks, and concrete poured into each endeavor. It's also the teachers, administrators, coaches, and staff united by a need to provide an engaging and creative environment for students. It's the professional development that keeps teachers exploring new techniques to help our young men and women learn. It's their passion to provide children with the very best each and every day. It is why we, as family, friends, faculty, and staff of students, support the school year after year. Our financial contributions strengthen the classrooms, campus, and extracurricular offerings of York Catholic Middle & High School.

York Catholic donors allow us to provide this very environment, one where students flourish academically, emotionally, physically, and socially. The commitment of the faculty, parents, and clergy to provide an exemplary Catholic education is the key to the York Catholic difference. For this we are deeply grateful. So, I thank you for the thoughtful choice you made to support York Catholic. The tangible and intangible benefits are countless.

Warm Regards,

Thank You For Your Support!

We are profoundly grateful to all members of the York Catholic community who made an impact during the 20-21 school year by investing in our school, its students and faculty. Because of your generosity, we are able to continue to make every YC experience possible and to make a difference in the lives of current and future students. We could not do it without you and your generosity – thank you!

YOUR GIFT MADE A DIFFERENCE

Thanks to you we were able to:

Provide families with tuition relief to keep Catholic education affordable

Equip every classroom with state of the art cameras to enhance distance learning

Update safety and security protocols in response to the COVID pandemic

Complete many vital campus renovations and upgrades

Overall Giving Fiscal Year 2020-2021
\$2,152,757
1,178 Donors

Ways To Give

Our generous donors give in many ways to YC including:

York Catholic Annual Fund

The YC Fund is our annual giving program and top giving priority because it directly impacts our greatest assets – our students and our faculty. These gifts are utilized for the general fund, tuition assistance, enhanced technology, enriching music, arts, and athletic extracurricular programs, and professional development for teachers.

Gaelic Society

This is a lifetime gift society which welcomes one time or cumulative gifts (up to three years) which have a total value of at least \$10,000. Gaelic Society members are valued partners in supporting our commitment to academic excellence, spiritual formation, athletic achievement, and extracurricular activities, while advancing the mission of YC.

Mystical Rose Society

This society welcomes donors who gave \$1,000 or more to YC in the past fiscal year. In tribute to our Patroness Mary, members of the Mystical Rose Society support the teachings and values of a Catholic education.

Tuition Assistance

Each year York Catholic seeks to meet the tuition resources needed to provide our students with an unmatched education. Providing financial aid is an ongoing strategic priority so all students who seek a Catholic education have access to it. We gratefully acknowledge and thank our donors who support our hardworking students who do not have the resources to get from where they are to where they should be for future success.

Purpose and Special Purpose Entity Gifts

York Catholic values the generosity of our corporate and individual partners who support students through the Pennsylvania Educational Improvement Tax Credit (EITC) and the Special Purpose Entity (SPE) scholarship programs. Both provide need-based financial aid for qualifying students.

Capital Campaign

Our campaign focuses on the renovation and upgrading of our facilities, most of which are over 60 years old. Our generous donors have helped us complete Phase I of our campaign in just a couple short years. Phase II of the campaign kicked off last year and is going strong with over \$3 million of the needed \$4.5 million goal pledged.

"Looking back, the positive experience that we had at YC was due to the faith, dedication and hard work of the administrators, teachers, coaches and parents who created an environment where we could thrive, learn and mature. While the short time we spent at YC was important, now having the opportunity to help today's students live the 'YC experience' by being a parent, a teacher, a volunteer, a donor, really helps us understand why the YC family is so special. And that it takes all of us to keep the legacy alive."

“A York Catholic education is something of great value and something that should not be taken for granted. A faith-filled learning environment is important for young people and allows students to explore their faith alongside their peers. I am grateful to have learned from teachers who truly had their students’ best interests in mind and to have come from a unique high school experience that challenged me to grow.”
