DIOCESAN GUIDELINES	LOCAL IMPLEMENTATION PLAN
<p>Acknowledgement Forms: All parents will be required to sign an updated “acknowledgements and notices” form before the start of the 2021-22 school year. These will be similar to the forms signed before the 2020-21 school year.</p>	<p>Acknowledgement Forms: The Diocese of Harrisburg COVID-19 Acknowledgement and Notices form will be shared with families on the first day of school.</p>
<p>Weekly Data Collection: Schools will continue to complete the weekly survey from the Office of Catholic Schools on Covid-related matters until further notice in order to ensure consistent data collection efforts. The Diocesan re-opening committee will review the data weekly and will consider adjusted mitigation strategies, if necessary, for the following school week for each school.</p>	<p>Weekly Data Collection: Data will be supplied to the Diocese.</p>
<p>Virtual Learning - Individual Request: Permission must be given for children to attend our Catholic schools virtually in the 2021-22 school year. We believe it is best to have our students in person in our schools, whenever possible.</p> <p>Parents may make an application to the re-opening committee (not to the building principal) for consideration for virtual education. The application includes completion of a Google Form and an email including the needed medical documentation. Only medically-documented reasons will be considered. When the re-opening committee receives the application, the committee will consult with the building principal on the matter. The application, pertinent dates and email link can be found here.</p>	<p>Virtual Learning - Individual Request: Permission must be granted by the Diocese of Harrisburg for children to attend York Catholic Middle and High School virtually in the 2021-22 school year. Masks:

As of September 7, 2021, masks are required in our schools for faculty, staff, students, and guests, regardless of vaccination status. Face masks are not required when:

- Wearing a mask would cause a medical condition or exacerbate an existing one, including respiratory issues, mental health conditions or a disability. In these cases, a face shield is recommended to be worn.
- Engaging in an activity that cannot be performed while masked, like eating and drinking or playing a musical instrument.
- Participating in physical education classes and athletic practices or events, whether indoor or outdoor.
- The individual is under two (2) years of age.

Students will follow the rules of their school district re: masks when utilizing district transportation.

Those with vaccination cards on file will not need to quarantine. ● In all cases, York Catholic will take every reasonable precaution to safeguard the privacy and dignity of all students, faculty, and staff regarding vaccination status.

Pending Test Results:

If a household member of a student or school employee, or the student or employee themselves have been tested and are waiting for COVID-19 test results, the student or school employee must follow the quarantine protocol applicable to their vaccination status:

Not Vaccinated

The student or school employee may not come to school until the test is confirmed negative and the school nurse has granted permission to return. If the result of the immediate household member's test is positive, please see the next section titled Positive Test Results.

Vaccinated

The student or school employee may come to school wearing a mask. If the result of the immediate household member's test is positive, please see the next section titled Positive Test Results.

Positive Test Results:

If a student, school employee, or household member tests positive for COVID-19, families are obligated to inform the school for the health and safety of the entire school community. This applies even when we are not in person or in session. Please follow the protocol detailed in the section titled Quarantine.

Quarantines:

Unvaccinated faculty, staff or students who are exposed to a Covid-positive person will need to quarantine based on time frames established by the CDC (<https://www.cdc.gov/coronavirus/2019-ncov/if-you-are-sick/quarantine.html>) and adopted by the PA Department of Health. Fully vaccinated faculty, staff and students will not need to quarantine. Clearly, any student or faculty or staff member who tests positive for Covid must quarantine, with the length of the quarantine to be determined by the PA Department of Health.

Quarantines:***Not Vaccinated***

Non-vaccinated individuals identified as close contacts to someone who tests positive must quarantine for 10 days and are not permitted to enter school grounds or participate in school extra-curricular activities. The non-vaccinated individual does not need to be tested for COVID-19 unless they become symptomatic.

Non-vaccinated individuals have the option of getting a COVID test on day 7 after exposure and they may return to school and activities IF there is a negative result on that test. Proof of the result must be sent to the school nurse at sdeluca@yorkcatholic.org. If the test is positive, the Non-vaccinated individual will quarantine for the remaining 3 days to complete the 10 day total quarantine period. Please note that the test date cannot be earlier than 7 days after exposure.

Quarantined students will be noted as “Absent Excused” in their Attendance record.

Vaccinated

Individuals are considered fully vaccinated if it is:

- 2 weeks after their second dose in a 2-dose series, such as the Pfizer or Moderna vaccines, or
- 2 weeks after a single-dose vaccine, such as Johnson & Johnson’s Janssen vaccine

Vaccinated individuals do not have to quarantine if identified as a close contact, however, parents may choose to fully

	<p>quarantine their child for 10 days. Please notify Mrs. Sarah Deluca at sdeluca@yorkcatholic.org if you choose to fully quarantine your vaccinated child.</p> <p>Quarantined students will be noted as “Absent Excused” in their Attendance record.</p>

Parents, visitors and volunteers:

Parents, volunteers and other visitors will be allowed in schools.

- Masks are required regardless of vaccination status.
- Signage will be posted prominently in the lobby/office indicating that parents, visitors, and volunteers must wear masks while in the school regardless of vaccination status.
- When signing in, parents, visitors, and volunteers will sign that they understand and will comply with the request to mask regardless of their vaccination status. No one will be asked for proof of vaccination when signing in.

Cleaning:

Areas in schools for common use -- that is, used regularly by multiple groups within the school -- need to be cleaned regularly.

- Locker rooms, gyms, band and chorus areas, and any other spaces used by multiple school groups are to be cleaned in the middle of the week, ideally, but at least once a week.
- Lunchroom surfaces need to be sanitized between lunch shifts.
- Classroom desks and high-traffic areas should be cleaned daily at the end of the school day.

<p>Ventilation: Schools will make every effort to provide as much ventilation as possible in each classroom, as we did in 2020-21. Leaving windows and doors open in an appropriate manner is the simplest approach.</p>	<p>Ventilation: York Catholic will make every effort to provide as much ventilation as possible in each classroom, as we did in 2020-21. <p>Handwashing and hygiene: Students will be asked to wash/sanitize hands at sensible times, as always: at start and end of the school day, before and after lunch, when they have sneezed or used the restroom, and as needed. Water fountains may not be used. Schools may ask students to bring water bottles to school.</p>	<p>Handwashing and hygiene: Students will be asked to wash/sanitize hands at sensible times, as always: at start and end of the school day, before and after lunch, when they have sneezed or used the restroom, and as needed.</p> <p>Students and staff are encouraged to bring individual water bottles that can be refilled using sinks or bottle fillers. Water drinking fountains will be turned off; water bottle refill stations will remain accessible. Students are permitted to carry clear water bottles during school hours. Students may use an original water bottle (Deer Park, Poland Springs, etc.) or a York Catholic reusable bottle available online through the Spirit Store. It's a clear 22 oz. sports bottle with a straw and spill-proof lid. Students can write their name on the bottle and add a sticker (for identification purposes) as long as it doesn't cover the YC logo on the bottle. Students are not permitted to bring drinks into the building other than water in the approved water bottles detailed above.</p>

Field trips:

Reasonable field trips can be taken in the local area and that decision resides with the school. Proposed trips beyond the local area are to be brought to the Secretary for Education for discussion. However, the responsibility to vet the locations and situations encountered on these trips resides with the school. Schools will need to do homework and be sure of the situation students will encounter during the field trip: crowded areas, etc. -- and will prepare appropriately. High schools will be able to offer overnight retreats, as long as there is a thorough, written health and safety plan in place.

Social, emotional and spiritual care for students:

We need to make sure, in each school, that we are carefully monitoring student learning and providing all possible resources to meet individual learning needs and to provide the best resources for social, emotional and spiritual growth for our students. As we did last year, we will take a team approach in our schools: school nurses, counselors, social workers (if available) and priests will bring powerful resources to benefit our students. That team will need close collaboration with parents and with teachers, who know the needs of their students well.

Field trips:

Reasonable field trips can be taken in the local area and will be evaluated and approved by the York Catholic administration. Proposed trips beyond the local area will be taken to the Diocesan Secretary for Education for discussion. York Catholic will research the situation students will encounter during the field trip: crowded areas, etc. -- and will prepare appropriately.

When indoors or in a transportation vehicle, masks will be worn regardless of vaccination status.

Social, emotional and spiritual care for students:

York Catholic will carefully monitor student learning and provide all possible resources to meet individual learning needs and to provide the best resources for social, emotional, and spiritual growth for our students. As we did last year, our team of school counselors, school nurse, social workers (if available), chaplain, parish priests, administration, and teachers will partner with families to bring powerful resources to benefit our students.

<p>Groupings: Cohorts, Small group work While we will not start the year with the strict cohorting system we used last year, each school is asked to plan the daily interaction of student groups. Each school will determine the range of those groups. In the end, if there is a potential exposure to Covid, we need to know how to proceed.</p> <p>Schools may have small groups work together within the classroom. Maintain the three-foot distance, to the extent feasible.</p>	<p>Groupings: Cohorts, Small group work York Catholic will continue to operate as a Middle School and High School with students sharing limited common space.</p> <p>Teachers may utilize small group work within the classroom provided a three-foot social distance can be maintained, to the extent feasible.</p>
<p>Groupings - Cafeteria: The cafeteria may be used. To the extent feasible, students should be three feet apart in the cafeteria. Commonly-used surfaces in the cafeteria must be cleaned between lunch shifts. A clean and simple approach for the school is to make the groups mentioned above the same as the lunch groups that share the cafeteria.</p>	<p>Groupings - Cafeteria: Lunch periods will continue to be separated by Middle School and High School in the cafeteria. <p>Groupings - Assemblies: Schools may have assemblies, as needed. As assemblies will bring together more than one school group, schools are encouraged to start with a small number of assemblies in the first quarter of the school year, until we see the overall impact.</p>	<p>Groupings - Assemblies: York Catholic assemblies will use every other seat to the extent feasible to accommodate a 3-foot social distance.</p>
