April 2022

Dear Parent/Guardian,

I hope you are starting to enjoy some spring weather! We decided to include the transportation information in the 3rd quarter report card as a way to get a jump start for the upcoming school year. As you may already know, bus transportation to York Catholic Middle and High School is not provided by your public school district. We operate two buses to transport students from the Southern School District, the Southeastern School District, and Maryland. York Catholic covers approximately 70% of the total cost of transportation to and from those areas. In return, we request those families participating to offset the remainder by paying a fee of \$90 per month per child. If you wish to participate, the fee and payment schedule for the 2022-2023 school year is as follows:

- The fee is \$810.00 for a full-time rider, payable \$90.00 per month for nine months.
- **The first payment is due August 1, 2022 along with the completed transportation form.** Remaining payments will be added to your STS account due the 10th of each month; October through May.

Upon return of the form and first payment, students will receive a permanent transportation card that is to be presented to the bus driver daily. These cards are non-transferrable and non-refundable. All inquiries can be directed to Heather Dougherty as bus drivers are not advised of fees, payment, or the card distribution process.

In order to finalize our bus roster for this year, we need to know your intentions. Please take a moment to complete the enclosed form and return it to the business office, attention Ms. Dougherty by **August 1, 2022**.

If you have any questions please contact Heather Dougherty in the business office at 717-846-8871 x315 or hdougherty@yorkcatholic.org.

Please note the form must be completed and returned whether or not your student intends to ride the bus.

Sincerely,

Heather Dougherty
Business Manager
