The Spirit of the Lord GOD is upon me,
because the LORD has anointed me;
He has sent me to bring good news to the oppressed,
to bind up the brokenhearted,
to proclaim liberty to the captives,
and release to the prisoners;
to proclaim the year of the LORD's favor,
and the day of vengeance of our God;
to comfort all who mourn;
to provide for those who mourn in Zion –
to give them a garland instead of ashes,
the oil of gladness instead of mourning,
the mantle of praise instead of faint spirit.

(Isaiah 61:1-3, NRSV)

Service is a basic requirement at York Catholic because it is part of our identity, part of who we are. To form habits of practicing the Gospel call to love in the area of community service, the school monitors a program of Christian Service whereby each student is required to perform hours of non-remunerated community service each year within a volunteer program or individually. Although the number of required hours is minimal over the course of the year, it is an important way of teaching students the merits of volunteer work as the means of living out their baptism and following the Gospel.

REQUIREMENTS

Hours Required:

- Middle School Students (grades 7-8) must complete a minimum of 12 hours of service.
- High School Students (grades 9-12) must complete a minimum of 16 hours of service.
- Service hours are to be completed at two or more service sites.

To be completed by FRIDAY, DECEMBER 2, 2022:

- Middle School Students:
 - Verification of at least 6 hours of service
 - Assignment per Religion teacher
- High School Students:
 - Verification of at least 8 hours of service
 - Assignment per Religion teacher
- All Students:
 - One signed verification paper per service site (available on YC website & in Religion classes)

To be completed by WEDNESDAY, APRIL 12, 2023 (GRADE 12) OR MONDAY, APRIL 4, 2023 (GRADES 7-11):

- Middle School Students:
 - Verification of remaining hours of service to equal a minimum of 12 hours
 - Assignment per Religion teacher
- High School Students:
 - Verification of remaining hours of service to equal a minimum of 16 hours
 - Assignment per Religion teacher
- All Students:
 - One signed verification paper per service site (available on YC website & in Religion classes)

Service Project Grading Rubric: This assignment will count toward a Major Test Grade in Religion for the 2nd and 4th marking periods. NOTE: As agreed to in the Student-Parent Service Covenant, both hours AND written project must be submitted whether or not credit is still possible for the project. Without the project the service is considered incomplete. Failure to complete these requirements by the date specified will affect the service grade given for the marking period.

DIRECTIVES

- Service hours are to be completed at two or more service sites.
 - Example: A student who volunteers 10 hours with Habitat for Humanity must do the remaining required hours of service at another site.
 - Example: A student who volunteers 16 hours as an altar server at St. Patrick Church must also complete at least one additional hour of service at another site.
- Assisting teachers or staff at York Catholic during the school year may count toward no more than 8 hours of required service for Middle School and 10 hours for High School students. The remaining hours must be completed at other sites.
- The exception to this directive is that a student may do two different types of service at the same site. Example: A student may volunteer at Saint Joseph Church carnival and may also volunteer as an altar server at Saint Joseph Church. Each semester's service reflection and written project **MUST** be about a different type of service activity even if done at the same site.
- Students participating as members of a pre-approved school program MAY submit these hours to fulfill the service requirement.
- Students may NOT volunteer for relatives to fulfill service requirements with the exception of extraordinary medical circumstances, and only with the approval of the Director of Student Services.
- Students may NOT be away from regularly scheduled classes to fulfill the service requirement, unless it's a school-sponsored activity.
- Students may NOT submit hours from school service resulting in recognition such as receiving a Varsity Letter.
- Students may NOT use partisan political activity or campaign work for a service project.
- Students may NOT do a service project at commercial (for-profit) businesses. The religion teacher may grant an exception in an extreme case. Permission **MUST** be obtained before the service is done.
- Normally students may NOT use fundraising for one's own organization for self-interest for a service project. For example, assisting at a music-sponsored pancake breakfast at which monies raised are used to offset your personal instrument expenses is not permitted. Volunteering to assist at a music-sponsored pancake breakfast where proceeds are used to benefit the music organization is permitted.

GUIDELINES

- Students are encouraged to have their service activity approved by their Religion teacher or Director of Student Services prior to volunteering to ensure the activity qualifies for a service learning experience.
- Students are urged to volunteer for a non-profit organization that provides a community service such as a hospital, nursing home or shelter, walking for charity or blood drive, or a special event such as a charity fundraiser. This will allow the students to join in the community to assist and to acquire new experiences throughout the area, showing Christ to the community. Students are strongly urged to perform acts of kindness in their neighborhoods such as raking leaves, shoveling snow, and babysitting; however, these hours will only be accepted due to extenuating circumstances if pre-approved by the Director of Student Services, Religion Department Chairperson, or Religion teacher.
- Special events that require volunteers will be posted in the Religion classrooms of YC.
- Responses containing profanity (swearing, inappropriate language or comments, etc.) will not be accepted and will be turned over to Administration for discipline.
- **To falsify a service report or to forge an adult signature is a major discipline infraction, an honor code violation, and will be subject to disciplinary action. This will also result in a grade of 0% for the assignment. Parents must not sign Verification Forms unless special arrangements have been made in advance with the Director of Student Services.**

VOLUNTEER OPPORTUNITIES
Updated June 2022

The following is a sampling of non-profit organizations that accept youth volunteers. Some organizations may have age requirements for volunteers. Contact the organizations directly for specific requirements. Availability of service opportunities may be seasonal or on an as-needed basis. Do not call during a last minute service hour crisis.

Because of service organization age requirements and transportation issues, middle school and high school students may have unique challenges in finding service opportunities; therefore, it is best for students to begin searching for volunteer opportunities at their parishes and youth groups.

Faith Studied and Put into Practice

A long-standing feature of York Catholic has been the requirement that students perform a minimum number of hours of service PER SEMESTER (6 for middle school and 8 for high school). The purpose of this program is to underline the truth that Christianity is not just something learned from a book or in a classroom, but it is faith put into practice and lived in the service of others by following the example of Jesus Christ.

STUDENT–PARENT COVENANT

(DUE: Monday, September 12, 2022)

Jesus Christ is the model of this school and of its students. By his life, Christ showed us it is better to serve than to be served and the greatest among us is the one who serves the rest. With Christ Jesus as my guide, therefore, I, _____, being the son/daughter of Mr./Mrs. _____, will to the best of my ability fulfill the service hour requirements as a student of York Catholic Middle School or High School, completing no less than half of my service hours by the established due date of **Friday, December 2, 2022** at which point I will turn in the required verification papers and all written projects. I will complete the remaining service hours by the established due date of **Wednesday, April 12, 2023** (Grade 12) / **Monday, April 24, 2023** (Grades 7-11), at which point I will turn in the remaining required verification papers and all remaining written projects. Failure to turn in required forms on time will result in Administrative discipline.
