York Catholic Business Partnership Program

What is the York Catholic Business Partnership Program?

Our Business Partnership Program is a one-stop-shop for marketing opportunities throughout the school year, providing vital financial resources to help underwrite all of YC's athletic and musical programs. This advertising initiative is designed to provide your business with true marketing value through a wide variety of multi-platform advertisements.

Marketing That Makes a Difference

Business Partnerships run for an entire year, July 1st through June 30th, and are renewed on an annual basis. These packages provide numerous and creative marketing impressions for our partners to our extensive York Catholic community. With more than 8,000 alumni and friends in our database and more than 35,000 visitors to our school, stadium, gymnasium, and auditorium annually, our reach is extensive.
