

# The St. Joseph Society

## Mission

To bring together our York Catholic students and community through mutually-beneficial shared opportunities.

## Network

York Catholic Middle & High School is looking to work in conjunction with community leaders, businesses, alumni, parents, and friends to enhance the core programs of The St. Joseph Society.

St. Joseph is the patron saint of all workers. He labored quietly in his own workshop, teaching Jesus his trade. For this reason, The St. Joseph Society was established to connect York Catholic’s students with our local, national, and global community through mutually-beneficial shared opportunities.

The St. Joseph Society encompasses three core programs – Business Partnership, Speakers’ Bureau, and Internships. Each program, detailed on the back, is targeted at connecting our York Catholic network with our current students and their families.

York Catholic is looking to recruit community leaders, businesses, alumni, parents, and friends to participate in these programs in order to bring together our YC students and community through authentic engagement. ## A Prayer to St. Joseph for Success at Work

Glorious St. Joseph, model of all those who are devoted to labor, obtain for me the grace to work conscientiously, putting the call of duty above my many sins; to work with thankfulness and joy, considering it an honor to employ and develop, by means of labor, the gifts received from God; to work with order, peace, prudence and patience, never surrendering to weariness or difficulties; to work, above all, with purity of intention, and with detachment from self, having always death before my eyes and the account which I must render of time lost, of talents wasted, of good omitted, of vain complacency in success so fatal to the work of God. All for Jesus, all for Mary, all after thy example, O Patriarch Joseph. Such shall be my motto in life and death.

**Amen**
