

Middle School Athlete Contract for Use of Weight Room

This contract is designed to ensure the middle school athletes do not misuse the privileges to use the weight lifting facilities at York Catholic. There have been problems previously with younger student-athletes not adhering to the rules and regulations of the weight room. These rules have been adopted to maximize the safety and efficacy of each athlete who chooses to work out at York Catholic. The weight room is not a play area and weight training should be taken seriously. Catastrophic injuries can happen when appropriate use of the equipment is not followed. For this reason, middle school athletes are NOT PERMITTED to use free weights when working out (i.e., dumbbells, barbells, etc.). They must only use the guided motion machines and are NOT ALLOWED to use the treadmills, stairmaster, or stationary bikes. It is mandatory that each athlete uses the workout protocol provided by our certified athletic trainer. This weight lifting protocol is designed to introduce young athletes to weight training, while they focus on proper technique and good work ethic. Once they have proven they can handle that aspect of training, they will be slowly introduced to free weight exercises.

The York Catholic weight room is a 2,800 square foot facility that features over 10,000 lbs. of free weights, 2,000 lbs. of dumbbells, (3) power lifting platforms, and top of the line Hammer Strength, Body Masters, and York Barbell equipment.

Its cardiovascular equipment features (2) TechnoGym Recumbent stationary bikes, (1) TechnoGym upright stationary bike, (2) Life Fitness ellipticals, and (2) treadmills. The weight room is also equipped with numerous speed, agility, and plyometric equipment (including TRX suspension trainers, medicine balls, jump boxes, resistance bands, agility ladders, hurdles, etc.).

The YC strength and conditioning program is designed to allow student-athletes the ability to train in a safe and effective manner to gain the power and explosiveness they need for their desired sport. Programs are designed for specific sports and abilities. The weight room is available for use by current students and staff. Hours of operation vary since students are only permitted in the weight room when a coach is present. Guidelines for using the weight room are posted on the YC website and in the weight room.

Weight Room Guidelines

- Students are not permitted in the weight room without a coach or weight room supervisor present.
- **NO** horseplay at any time.
- Optimize your time – **NO LOITERING**. The weight room is not for social gatherings!
