Common App - What You Can Do This Summer

The image shows a screenshot of the Common App website's profile page. At the top, there is a navigation bar with five tabs: Dashboard, My Colleges, Common App (which is highlighted), College Search, and Financial Aid. On the left side, there is a vertical sidebar menu with the following items: Common App (highlighted), Profile, Family, Education, Testing, Activities, Writing, and Courses & Grades (with a sub-item '0 college(s) require'). The main content area is titled 'Profile' and has a 'Preview' button in the top right corner. Below the title is a blue header for the 'Personal Information' section, which is currently expanded. The first field is 'Legal first/given name*' with a red asterisk, containing the text 'Sarah'. Below this is a question: 'Would you like to share a different first name that people call you?' with two radio button options: 'Yes' and 'No'. A 'Clear answer' button is located below the radio buttons. The 'Middle name' field is partially visible at the bottom of the page.
