

Refer & Get Rewarded

Our current families are the heart of YC and we know those who know and love our school are our best ambassadors for sharing what sets the YC experience apart. Your referrals help us grow our community of exceptional and diverse students, and we want to show our appreciation to you for recommending YC to your friends and family.

NOW EXPANDED!

\$250 Dual Tuition Credit

Referrals are a win/win for everyone involved. When you refer one family to YC, you will receive a \$250 tuition credit. The family you referred will also receive the same credit.

NEW BONUS REWARD!

\$300 Re-Enrollment Fee Credit

Refer more, save more! YC families who refer four or more families in one school year will receive a \$300 credit to waive their re-enrollment fee for the following school year.

Start Spreading the News!

Thank you for sharing your ❤️ for YC!
We are grateful for each new connection.

How It Works

Step #1: Share Your ❤️ for YC

Help spread the word about YC by sharing your experiences with family and friends.

Step #2: Make a Referral

There are a variety of convenient ways to share your referral.

- **Online:** Submit a referral at yorkcatholic.org/refer.
- **In-person:** Pick up a form in the office and return it to share your referral.

Step #3: Get Rewarded

After you submit a referral, our admissions team will support your referred family throughout their consideration and admissions process. We will reach out to share your rewards following the referred student's confirmed enrollment.

Program Details

- To receive referral rewards, referred students must be accepted and attend YC through their first semester.
- A "referred student" only applies to a new student who does not currently attend a partner school.
- The referral rewards are not available for referring your own children.
- Referral rewards are no-cash given, non-transferrable credits to a student's account.
- The \$250 Dual Tuition Credit will be spread as four credits applied to the months of February, March, April, and May.
