A Message from Our President

Dear York Catholic Family,

The 2024-2025 school year saw yet another amazingly talented group of young men and women graduate with pride and go out to serve the global community, taking the many gifts and talents they cultivated while at York Catholic onto the next chapter of their personal journeys. While they are one of the smaller groups to graduate from YC, they exceeded every class before them in scholarship offers, earning over \$16.5 million. Additionally, some members of the

Class of 2025 chose the noble calling to serve our country through one of the armed forces, and others joined the workforce. When they walked across our stage at Graduation, 100% of the class was college and career ready.

All of this is to your credit, our YC alumni, friends, and family. Through your continued support, more YC graduates will serve the world with an ethic and skillset second to none. Your generosity over the last year was profound and life-changing for our students and we thank you.

Not only did you make a YC education accessible for so many families, you also helped enhance our program offerings, adding more real-world electives and an Advanced Placement Computer Science Course to our curriculum. Your gifts helped to purchase two more school transportation vans, which will provide the opportunity for more students to experience first-hand what they are learning in the classroom by traveling to important spiritual centers, such as Mount St. Mary's, the Elizabeth Ann House, and the National Shrine of the Immaculate Conception; in addition, the students and faculty can stretch their classroom learning to Harrisburg, Gettysburg, Washington, D.C., Philadelphia, and beyond. Not to mention, for the first time in 20 years, 26 students traveled abroad to Germany and Prague, where they impressed their local tour guides with their extensive background knowledge of the culture and history in the areas they were visiting.

Finally, YC offered more than \$500,000 in tuition assistance to nearly half of our students and exceeded our York Catholic Fund goal by \$100,000. Much of the excess annual fund dollars were realized on our first-ever Day of Giving in January, where you continued to overwhelm us with your support and participation. Save the date for our second-ever giving day on January 26-27.

The YC community is greatly blessed and we have all of you to thank as a result. As you all know, the needs of our students' education are always expanding and we look forward to your continued support into the 2025-2026 school year.

Thank you as always,

Katie Doyle

OUR MOTTO:
“Maria Impende Juvamen”
O Mary, bestow your aid

OUR MISSION:
Guided by a Christian moral compass, we educate our students in an atmosphere of faith, family, and mutual respect, preparing them to serve the global community.

Ways To Give

Our generous donors give in many ways to YC including:

York Catholic Fund

The YC Fund is our annual giving program and top giving priority because it directly impacts our greatest assets – our students and our faculty. These gifts are utilized for the general fund, tuition assistance, enhanced technology, enriching music, arts, and athletic extracurricular programs, and professional development for teachers.

EITC, OSTC, and Special Purpose Entity Gifts

York Catholic values the generosity of our corporate and individual partners who support students through the Pennsylvania Educational Improvement Tax Credit (EITC), Opportunity Scholarship Tax Credit (OSTC) and the Special Purpose Entity (SPE) scholarship programs. These programs provide need-based financial aid for qualifying students.

Tuition Assistance

Each year York Catholic seeks to meet the tuition resources needed to provide our students with an unmatched education. Providing financial aid is an ongoing strategic priority so all students who seek a Catholic education have access to it. We gratefully acknowledge and thank our donors who support our hard working students who do not have the resources to get from where they are to where they could be for future success.

Mystical Rose Society

This society welcomes donors who gave \$1,000 or more to YC in the past fiscal year. In tribute to our Patroness Mary, members of the Mystical Rose Society support the teachings and values of a Catholic education.

Gaelic Society

This is a lifetime gift society which welcomes one time or cumulative gifts (up to three years) which have a total value of at least \$10,000. Gaelic Society members are valued partners in supporting our commitment to academic excellence, spiritual formation, athletic achievement, and extracurricular activities, while advancing the mission of YC.

"I chose York Catholic because I knew that I would be receiving the best education possible. When I saw the school spirit exhibited by the students and faculty, it made me want to be a part of that Irish pride. York Catholic is a family; everyone knows each other and they are always there for you. York Catholic pushes me to be the best version of myself and will push you to your full potential."

Tax Credit Programs

EITC, OSTC, and Special Purpose Entity Gifts

York Catholic values the generosity of our corporate and individual partners who support students through the Pennsylvania Educational Improvement Tax Credit (EITC), Opportunity Scholarship Tax Credit (OSTC) and the Special Purpose Entity (SPE) scholarship programs. These provide need-based financial aid for qualifying students to receive a York Catholic education. For more information on how you can be included on this list next year, contact Laura Burkey, Director of Advancement, at lburkey@yorkcatholic.org or 717-846-8871 x1323.

"Changing schools can be hard, especially moving to one so dedicated to preparing you for the future. York Catholic pushed me to raise my standards and not just expect life to be an easy A. I had teachers who were willing to stay after school and help me, which was a kind of support I was not used to receiving from my previous school."
