

La Salle University and York Catholic High School

Memorandum of Understanding

The La Salle University and York Catholic, share a common mission to educate young men and women in the Catholic tradition through rigorous academics and a focus on educating the whole person.

La Salle University and York Catholic hereby establish a Memorandum of Understanding. Through this memorandum, we articulate and codify the ways this partnership can advance our mutual goal of enhancing access to high-quality Catholic education at the high school and post-secondary levels. The components of our partnership include, but are not limited to:

1. La Salle University will guarantee admission for bachelor's-level programs (with the exception of the Nursing program) to graduates of York Catholic who have a 3.00 or higher GPA. Students who meet the above criteria will receive, at minimum, an annual \$20,000 scholarship with a total value of \$80,000 over four years of undergraduate study.
2. La Salle University will provide a \$1,500 Partnership Scholarship to all York Catholic students who are admitted to and ultimately enroll.
3. Application and supporting documentation (transcript from the high school through the end of junior year) must be submitted prior to admission. La Salle University's offer of admission is contingent upon the applicant maintaining good academic and disciplinary standing.
4. York Catholic will permit a La Salle University admissions representative to visit with their students as many as three times a year for the purposes of sharing information about La Salle's University's academic programs, admissions application, financial aid and related processes. One of these visits may include a special reception at York Catholic for admitted students. Visits will be arranged by La Salle University's Office of Admissions through the individual guidance offices.
5. York Catholic will display La Salle University's information, including posters, pennant and brochures, in the Guidance Office or another relevant location at the high school. In addition, the agreement with LaSalle University and profile will be displayed on the schools' web sites.
