

The University of Scranton and York Catholic High School Memorandum of Understanding

The University of Scranton and York Catholic High School, share a common mission to educate young men and women in the Catholic tradition through rigorous academics and a focus on holistic learning. Our vision is to prepare students who, in the words of Jesuit founder St. Ignatius, will “set the world on fire.”

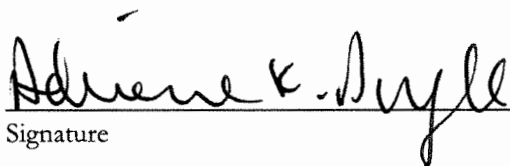

The University of Scranton and York Catholic High School hereby establish a Memorandum of Understanding. Through this memorandum, we articulate and codify the ways this partnership can advance our mutual goal of enhancing access to high-quality Catholic education at the high school and post-secondary levels. The components of our partnership include, but are not limited to:

1. The University of Scranton will guarantee admission for bachelor’s-level programs (with the exception of programs listed in item 2, below) to graduates of York Catholic High School who have a 3.20 or higher GPA. Students who meet the above criteria will receive, at minimum, an annual \$29,000 scholarship with a total value of \$116,000.
2. The University of Scranton will guarantee admission to graduates of York Catholic High School for the following entry-level programs according to the criteria listed below: Occupational Therapy (5-year Master’s Program or 6 ½-year Doctorate Program), Communication Sciences and Disorders (bachelor’s degree) and Doctor of Physical Therapy (guaranteed seat for 7-year program). Students must have a minimum GPA of 3.75. Nursing (bachelor’s degree) must have a minimum GPA of 3.80. Students who meet the above criteria will receive, at minimum, an annual \$33,000 scholarship with a total value of \$132,000. In addition to meeting the cumulative GPA requirement, applicants must demonstrate strong academic performance in mathematics and science coursework. The University reserves the right to withhold guaranteed admission from students whose grades in these subjects indicate inadequate preparation for the rigor of their intended program. In order to qualify for guaranteed admission, students applying to these programs must apply Early Action or Early Decision to The University of Scranton and complete all application requirements by November 15 of their senior year.
3. The scholarship awards referenced in items 1 and 2 above can only be received for a total of four undergraduate years, and are not transferable to other institutions. These awards are not additional awards but guaranteed minimums.
4. Application and supporting documentation (transcript from the high school through the end of junior year and standardized test scores-if submitting) must be submitted prior to admission. The University of Scranton does not charge an application fee for applicants from York Catholic High School. The University of Scranton takes a holistic approach to reviewing its applicants, valuing many factors in the admissions decision, including coursework, standardized test scores, letters of recommendation, leadership, community service and extracurricular activities. The University of Scranton’s offer of admission is contingent upon the applicant maintaining good academic and disciplinary standing.

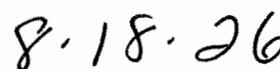

5. York Catholic High School will permit a University of Scranton admissions representative to visit with their students as many as three times a year for the purposes of sharing information about The University of Scranton's academic programs, admissions application, financial aid and related processes. Visits will be arranged by The University of Scranton's Office of Admissions through the individual counseling offices.
6. York Catholic High School will display The University of Scranton's information, including posters, pennant and brochures, in the Guidance Office or another relevant location at the high school. In addition, the agreement with The University of Scranton's wordmark and profile will be displayed on the schools' web sites.
