

Family Referral Form

- Referral forms can only be completed for new prospective families prior to their actual enrollment.
- A “referred student” only applies to a new student who does not currently attend a partner school.
- To receive referral rewards, referred students must be accepted and attend YC through their first semester.
- The referral rewards are not available for referring your own children.
- Families may only be referred by one other family. The credit is received by the first referring family.
- Referral rewards are no-cash given, non-transferrable credits to a student’s account.
- Credits will be applied at the start of the second full semester after the student is enrolled. Families who choose to pay tuition in full will receive their credits the following school year.
- The \$250 Dual Tuition Credit will be spread as four credits applied to the months of February, March, April, and May.
